

March 30, 1976

as well be consumed by a kill motion. It certainly does not do what the introducer said that it is going to do. It is not going to do what the people from Common Cause are trying to do with the sunshine initiative. All it is going to prove is the need for a provision placed on the ballot which can not be amended and mutilated by politicians who are interested in protecting their parties or protecting their own hide. Politicians I say again can not be trusted to police themselves. You probably won't adopt this amendment, but at least when the record is read, oh yes Senator Kremer when the roll call is called up yonder I probably won't be there but there will be at least a record of some of the efforts that I put forth down on this earth to make things a little fairer than they are.

PRESIDENT: The question is the adoption of Senator Chambers amendment to LB987. Record your vote. Have you voted? Record. Senator Chambers.

SENATOR CHAMBERS: How many are gone?

CLERK: Two are gone Mr. President.

SENATOR CHAMBERS: The odds are awfully long, but I am going to ask for a Call of the House.

PRESIDENT: All right, the question is shall the House go under Call. Record your vote on that proposition. Call the Roll. You are withdrawing your request for...all right, Call the roll.

CLERK: Roll call vote. 21 ayes, 25 nays and 2 not voting. Vote appears on page 1488 of the Legislative Journal.

PRESIDENT: Motion fails. In the north balcony we have fifteen students from Concordia Teachers College at Seward, Nebraska. We are very happy to have you students with us. These people are from Senator Bereuter's district. Thank you for being here.

CLERK: Mr. President, the amendment that we laid over is offered by Senator DeCamp. (read DeCamp amendment).

SENATOR DE CAMP: Mr. President, the amendment is self explanatory. The Attorney General who is vested with the authority to prosecute now would have the authority to enforce the provisions of the act rather than any panel. That is all that it is.

PRESIDENT: Any further discussion? Question is the adoption of Senator DeCamp's amendment. Record your vote. Have you voted? Please vote. Record. Two, the same two.

SENATOR DE CAMP: Well heck, have a roll call vote on it.

CLERK: Roll call vote. Vote appears on page 1489 of the Legislative Journal. 22 ayes, 23 nays and 4 not voting.

PRESIDENT: Motion fails.
